WESTERN IS AT WORK

Red and White Ball Team Has Practice.

COACH BYRD NOT ON HAND

Candidates Have First Day's Workout on Muddy Grounds-Donovan Will Be Eligible to Play-Seven Men Trying for Outfield-Schedule Has Not Yet Been Fixed,

Western High School baseball candidates held their first outdoor practice in the school yard yesterday aftternoon Despite the muddy condition of the grounds, nearly the entire squad was on hand for the initial work.

The work was rather handicapped by the fact that Coach Byrd, of Georgetown, who is to have charge of the team, was unable to be present, Neverthelss, Capt. Stone gave the men as good a practice as was possible under the present poor condition of the grounds.

While nothing startling is expected from Western this year, from present appearances it looks as though a pretty good, all-round team could be developed at the school across the creek. Donovan Will Pitch.

The recent rule passed by the faculty Baseball Candidates Start Season advisers permitting advisory marks in studies to determine a player's eligibility will permit Donovan, last year's veteran to mount the slab again for the school, and Eddie is there with the goods when it comes to twirling. Todd will also try his hand in the box this spring, and if the showing he made in the Tech game last year counts for anything, he will develop into a star.

There is little doubt that Myers will do the majority of the work on the recelving end this year, as he is the only man out for the job who has any experience that will help.

Hillyer May Cover First.
